She is pageant queen  
With over 20 titles to her name  
But here's the funny thing  
She's not a day older than 18  
See I have bigger dreams  
Than living in this town  
I'm not a beauty queen  
I would stay but I don't wanna drown

But then there's you  
You won't dream that big and that's why..

[CHORUS]

She's the king of girl you marry  
And I'm the king you don't  
She's the one you wanna carry  
To your brand new home  
After your honeymoon night  
She looked better in white  
Than I ever could  
But.. she won't love you like I would

He is the basketball star  
The captain of the team  
And It's so sad to think  
That its the only place he'll take his dream  
In 20 years from now  
When he's married to his beauty queen  
He'll look down at his baby  
Is this as perfect as it seems?

But then there's you  
You wouldn't dream that big and that's why..

[CHORUS]

She's the king of girl you marry  
And I'm the king you don't  
She's the one you wanna carry  
To your brand new home  
After your honeymoon night  
She looked better in white  
Than I ever could

But.. she won't love you like I would

Maybe I regret, not loving you  
Maybe it's the hardest thing, I've ever had to do

She's the king of girl you marry  
And I'm the king you don't  
whoooo.. but I'm just not right for you

[CHORUS]

She's the king of girl you marry  
And I'm the king you don't  
She's the one you wanna carry  
To your brand new home  
After your honeymoon night  
She looked better in white  
Than I ever could  
But.. she won't love you like I would
