I don't believe in wizards or witches
But boy you got a spell on me
I don't know this
Or that
Or which is
What you want me to see

But I'm tired of waiting
It's so frustrating
Do you like me or not
Cuz if you do
Then let me know

I'm done with all this nonsense
I can't take it anymore
I need to live in the present tense
And not by who we were before

Cuz no offense
I'm tired of fighting
In this crazy thing we call
A love war

Why can't you just listen to your heart
Instead of listening to your stupid friends
I know that's the reason we fell apart
This is not where the story ends
But I'm tired of waiting
It's so frustrating
Do I like you or not
Cuz if I do
I'll let you know

I'm done with all this nonsense
I can't take it anymore
I need to live in the present tense
And not by who we were before

Cuz no offense
I'm tired of fighting
In this crazy thing we call
A love war

Im done
I cant take anymore

Im done with all this nonsense
I cant take it anymore
I need to live in the present tense
And not by who we were before

Cuz no offense
Im tired of fighting
In this crazy thing we call
A love war
