It was about 10 minutes
Before dusk crept in
Just another night with me and all my friends
Yeah, Yeah
I was sittin' by the water
When you first walked by
Ooh you caught my eye
And I wondered why

I knew your smile and I knew your name
My mind was going crazy and you're all to blame

(Chorus)

I wanna know the rest, the rest of you
The worst and best of you
The deepest parts the beat of your heart
This is where it starts
I wanna know the rest, the rest of you

(rest, rest, rest, of you wanna know the rest of you,
ooh)

We've been sittin' by the water
Every night since then
Ooh we've been divin' in
With you there's just no end

Under the stars boy I've come this far,
I wanna keep finding out who you are

(Chorus)

I wanna know the rest, the rest of you
The worst and best of you
The deepest parts the beat of your heart
This is where it starts
I wanna know the rest, the rest of you

(rest, rest, rest, of you wanna know the rest of you,
ooh)

Days turn to weeks turn to you always here
After all of this time to me, it's finally clear

(Chorus)

Now I know the rest, the rest of you

The worst and best of you

The deepest parts the beat of your heart

Everything you are

Now I know the rest, the rest of you

(rest, rest, rest, of you now I know the rest of you, ooh)

x3

Now I know the rest of you
