Verse 1

I'm ready to go, I'm ready to climb,
I've quietly been reading your mind.
I don't need a thing, I'm writing a book,
The story's really got me hooked.

Pre-chorus

It's amazing the changes I've been feeling,
I'm dreaming about seeing the world with someone like
you.
I've been tumbling, shaking and my whole world's
breaking,
I wanna put it together!

Chorus

And if we run away, run away now
We won't ever look back.
And if we run away, run away now
We won't ever look back.
We'll run, run, run away, run, run, run away, run, run,
run away

Verse 2

I'll follow the wind, I'm up for a spin,
Feel perfect in the arms I'm in.
And we're takin flight, the whole world is right,
I hope we're in the air all night!

Pre-chorus

It's amazing the changes I've been feeling,

I'm dreaming about seeing the world with someone like
you.
I've been tumbling, shaking and my whole world's
breaking,
I wanna put it together!

Chorus

And if we run away, run away now
We won't ever look back.
And if we run away, run away now
We won't ever look back.

We'll run, run, run away, run, run, run away, run, run,
run away (We'll run away)

Bridge

Even mountains high, rivers far and wide, (We'll run
away)

I can cross it all with you by my side. (We'll run away)

Every step I take, we're moving every day!

Pre-chorus

It's amazing the changes I've been feeling,
I'm dreaming about seeing the world with someone like
you.

I've been tumbling, shaking and my whole world's
breaking,

I wanna put it together!

Chorus

If we run away, run away now

We won't ever look back.

If we run away, run away now

We won't ever look back.

We'll run, run, run away, run, run, run away, run, run,
run away (x2)
