Driving in my car
In the pouring rain
Wondering if I'll ever
See your face again
In my heart I always thought
I'd be with you till the end
But at this time I realize
That's what's happening

Cuz it's over baby
Ya O-V-E-R
It's over baby
Guess we went too far
It's over baby
Ya O-V-E-R
It's over baby
Guess we went too far

Took me nine months to realize
Took me nine months to cry
But my new life has started
And I know that I'll get by

Cuz it's over baby
Ya O-V-E-R
It's over baby

Guess we went too far
It's over baby
Ya O-V-E-R
It's over baby
Guess we went too far

Sometimes your harsh words
Echo in my head
But after all you said
What needed to be said
I needed you to break my heart
To get me here today
Broken hearts will come and go
And I have to say
Success is what you gave to me

By taking your love away

Cuz it's over baby

Ya O-V-E-R

It's over baby

Guess we went too far

It's over baby

Ya O-V-E-R

It's over baby

Guess we went too far
