Living in the mouth of the canyon
Watching the storms rolling in
Falling leaves they surround me
Waiting for winter to begin

Oh, someone is missing
In my corner of the world
Oh, someone is missing in my life
I'm waiting for you, my sweet love, my sweet love
I'm waiting for you my sweet love
Wont you come and make it all right?

I used to live by the sea-side
In a round house made of glass (you know I'm waiting
for you)
The rain had never stopped falling (and it's coming
down again)
And how the ocean waves, they crash

Oh, something is missing
In the corner of my heart
Oh, something is missing in my life (I'm missing you)
I'm waiting for you, my sweet love, my sweet love
I'm waiting for you my sweet love

Im waiting for you, my sweet love, my sweet love
I'm waiting for you my sweet love
Wont you come and make it all right?

Hard strings pulled too tight
I can't get this right
Watching my life pass me by
I face the pale moonlight
Have I lost this fight
Watching my life pass me by
Pass me by

Im waiting for you, my sweet love, my sweet love
I'm waiting for you my sweet love
Wont you come and make it
Im waiting for you, my sweet love, my sweet love
I'm waiting for you my sweet love

Wont you come and make it all right
Im waiting for you, my sweet love, my sweet love
I'm waiting for you my sweet love
Wont you come and make it all right
Im waiting for you, my sweet love, my sweet love
