No way out! Confusion  
I need some more instructions  
I don't know where to go to  
Their faces, so vicious  
I've never seen such creatures  
And everyone is after me

You are happy now  
Watching your favourite movie  
Deadly! Coming soon  
Exclusively for certain people

The ashes, the fire  
The tear-gas and the liars  
I can't run, no balance  
The smoke screen is too high

No questions, nothing to say  
Words falling down by the way  
It's just a nice day in July  
Still they don't like the way I play

Jackasses, the point is  
Can't be war it's just business  
Don't you get it!?!  
Barricades close is on me

You are happy now  
Watching your favourite movie  
Deadly! Coming soon  
Exclusively for certain people  
Hot dogs and drinks for free  
Somebody else got the bill  
Just relax get ready for  
The flowing lood that you like!  
And you want! And you kiss! And you love!

You are happy now  
Watching your favourite movie  
Deadly! Coming soon  
Exclusively for certain people  
Hot dogs and drinks for free

Somebody else got the bill  
Just relax get ready for  
"The Penguin against Putrid Powell"
