A step beyond the doors of a railway station
And every end burns away
At fifty five a virgin revelation
Bought a one way ticket to LA

What it is? What it is? What it is? What it is?
What it is? What it is? What it is? What it is?

Too much fun in Hollywood
Too much fun in Hollywood
Too much fun in Hollywood
Too much fun in Hollywood

We're having too much fun
We're having too much fun
We're having too much fun
We're having too much fun

Along a waited way to old Kentucky
Makes every stranger at home
There ain't no shame in feeling lucky
She'll do just fine on her own

What it is? What it is? What it is? What it is?
What it is? What it is? What it is? What it is?

Too much fun in Hollywood
Too much fun in Hollywood
Too much fun in Hollywood
Too much fun in Hollywood

We're having too much fun
We're having too much fun
We're having too much fun
We're having too much fun

Stepped off the train into a careless whisper
Straight to the walk of fame
To find an empty tile that start to loosen
Where she would stay ugly

What it is? What it is? What it is? What it is?

What it is? What it is? What it is? What it is?

Too much fun in Hollywood
Too much fun in Hollywood
Too much fun in Hollywood
Too much fun in Hollywood

We're having too much fun
We're having too much fun

What it is? What it is? What is is? What is is?
What it is? What it is? What is is? What is is?

Too much fun in Hollywood
Too much fun in Hollywood
Too much fun in Hollywood
Too much fun in Hollywood

We're having too much fun
We're having too much fun
We're having too much fun
We're having too much fun

Hollywood
Hollywood
Hollywood
Hollywood

Too much fun in Hollywood
Too much fun in Hollywood
Too much fun in Hollywood
Too much fun in Hollywood
