Getting so hurt, the heart starts to feel fear.  
Feeling so sad, the heart aches with need.  
The strength inside, is the fortress that can envelope  
all.  
The kindness inside, it cannot be told without shedding  
tears.  
Ahh, TONIGHT!  
Pointed to the wavering flame is..  
MIDNIGHT BLUE!  
Oh, darkness! Oh, rain! Tell me now!  
Oh, moon! Oh, wind! Answer me now!  
Oh far, so far, far in the distance!  
What awaits me at the end of my travels!  
(music plays)  
Oh, darkness! Oh, rain! Tell me now!  
Oh,waves! Oh, shadows! Answer me now!  
Oh far, so far, far in the distance!  
What awaits me at the end of my travels!
