I'm with you
Even though you're falling
I will leave you through
Tonight into a new morning
I will love you today
As much as I always love you
I will stand by you
Tomorrow and always
Forever loving you my dear

Oh, why did you regret me
Why did you want me out of your life
Please tell me why
Oh, though you regret me
I will never stop loving you
Sacrificed myself for you

I'm still with you
Even though you're stumbling
I will seem it all
The fears, and you dawning
I will love you today
Oh though you may feel rejected
I will restore your soul
If you just would let me
Forever loving you my dear

Oh, why did you regret me
Why did you want me out of your life
Please tell me why
Oh, though you regret me
I will never stop loving you
I'll sacrificed myself for you

Oh, why did you regret me?

Oh, why did you regret me
Why did you want me out of your life
Please tell me why
Oh, though you regret me
I will never stop loving you
Sacrificed myself

Oh, why did you regret me
Why did you want me out of your life
Please tell me why
Oh, though you regret me
I will never stop loving you
I'll sacrificed myself for you
