One day
We'll get out of this shitty apartment
One day
Is all it takes for things to turn around now
All I know
Is I got you and you got me babe
And when that morning comes I'll make coffee and
you'll read the paper
We'll talk about our plans and I'll keep saying how lucky
we are

One day
We'll get in the car and drive anywhere we wanna go
And then we'll stay in a five star mini bar luxury hotel
room
Cause all I know is I got you and you got me babe
And when that morning comes I'll make coffee and
you'll read the paper
We'll talk about our plans and I'll keep saying how lucky
we are
How lucky we are
Oh oh ohh
How luck we are
Oh oh ohh
How lucky we are
Oh oh ohh
How lucky we are

Ooh ooh oh
Ooh ooh oh
Ooh ooh oh
Ooh ooh oh

One day
We'll turn on the tv and won't see nothing 'bout war
And when that morning comes I'll make coffee and
you'll read the paper
We'll talk about our plans and I'll keep saying how lucky
we are

How lucky, how lucky, how lucky we are

Oh
How lucky, how lucky, how lucky we are
Oh
How lucky, how lucky, how lucky we are
Oh
How lucky, how lucky, how lucky we are
