As I watch your wonders
They always leave me speechless
Althou I feel unworthy
You let me say
You guide me in the right path
For you are my shephard
Even if I pass through death
I...

I will fear no evil
For you are with me

May your grace come to me
Adonay
Uphold me as you promised
And I will live
Protect me from going astray
And I will sing
Until the day breaks and the

Shadows flee

You are my refuge
Who do I need to fear
You're the stronghold of my life
Of whom shall I be afraid

I will fear no evil
For you are with me

May your grace come to me
Adonay
Uphold me as you promised
And I will live
Protect me from going astray
And I will sing
Until the day breaks and the
Shadows flee
