Ah, ah, taylor... 's good, chevy, ah
Niggers jacking my old flow, that shit crazy
Me getting to this money, that's no maybe
Trying to see 2 mills, m&m not so shady
You wanna play notorious, it's all gravy

Go so hard, motherfuckers wanna stop me
But look at my time piece
All my... puff daddy, don't make a shine...
Ball so hard motherfuckers wanna fine me
But I'm a taylor though
Cruising in that coop, when I ride pass you
You smell that smoke
Hit so hard motherfuckers wanna fine me
That's... scent,
Oh my god, my flow is heaven sent
I remember the days, I ain't have a cent
Now I'm count newton, you missed the irrelevant

Go so hard, motherfuckers wanna stop me
That shit crazy
Roll up another ten, my eyes lazy
You act like you getting money, patrick swayze
One option, fuck with us, the new navy
Stunt so hard had to... my life
Evil con evil, gotta feed my dog, they bite
... for the evil,
Straight jacked that padded room, that shit is crazy
You bid for nothing, that's jeff lacey

Smoke so much hotels wanna fine us
That shit crazy, that shit crazy, that shit crazy
Taylor gang over everything, fly high
That's money being made, don't worry about how we
spend it
Checks, my nigger, yeah
