Feel A Whole Lot Better

We've seen the look of sadness in your eyes
But you're not to blame
You will get this from any other guy-uy
'Cause they're all the sa-a-a-ame

But you know you've go-ot friends
On that you can depe-end
You better try and get yourself together
Don't be a fool

Whatever it is - it's tearing you apar-art
We can help if we just stick together
Ooh, whatever it is - you don't need a broken hear-ear-
ear-eart
If you dance, you'll feel a whole lot better

We know the way he treated you is bad
It's a crying shame
It really comes to us as no surprise
You'll forget his na-a-a-ame

But you will be alright, we'll be here toni-ight
You better try and get yourself together - don't be a
fool

Ooh, whatever it is - it's tearing you apar-art
We can help if we just stick together
Ooh whatever it is - you don't need a broken hear-ear-
ear-eart
If you dance, you'll feel a whole lot better
If you dance, you'll feel a whole lot better
If you dance, you'll feel a whole lot better
If you dance, you'll feel a whole lot better
If you dance, you'll feel a whole lot better

But you will be alright - we'll be here toni-ight
You better try and get yourself together - don't be fool

Ooh, whatever it is - it's tearing you apar-art
We can help, if we just stick together

Ooh, whatever it is - you don't need a broken hear-ear-
ear-ear
If you dance you'll feel a whole lot better (don't be a
fool)

Ooh, whatever it is -it's tearing you apar-art
We can help, if we just stick together
Ooh, whatever it is - you don't need a broken hear-ear-
ear-ear
If you dance you'll feel a whole lot better (don't be a
fool)

Ooh, whatever it is - it's tear-earing you apart
We can help, if we just stick together
Ooh, whatever it is - you don't need a broken hear-ear-
ear-ear
Don't be a fool - ooh, whatever it is
Ooh, whatever it is - don't be a fool - ooh, whatever it is
Ooh, whatever it is - don't be a fool - ooh, whatever it is
