I'm (do-do) the one (do-do) who really lo-o-o-o-oves  
you  
I'm (do-do) the one (do-do) who really lo-oves you,  
yeah-eah

You know that I would wait fore-ever  
And I would never tie you down  
At night, a date you feel like ca-a-alling, I'd come arou-  
ound

Down in the street, look in the hou-ouses  
People everywhere are havin' fun  
When it comes to you I'm only wai-aiting  
To say that you're the o-one

I'm the one who said she really lo-oved you  
And I would never fool around  
I'm the one who said she really lo-oved you  
And I'd never let you dow-ow-own, oh...  
I'm the one who really loves you-ou

I'm not the beast and I'm not hur-urting  
I ain't the kind to lose control  
Anytime or place you feel the wa-anting, I'll come home

I'm the one who said she really lo-oved you  
And I would never fool around  
I'm the one who said she really lo-oved you  
And I'd never let you dow-ow-own, oh...

I'm the one who really loves you-ou, yes I am, you-ou-  
ou  
I'm (do-do) the one (do-do) who really lo-o-o-o-oves  
you  
I'm (do-do) the one (do-do) who really lo-o-o-o-oves  
you  
I'm (do-do) the one (do-do) who really lo-oves you,  
yeah-eah

Down in the street, look in the hou-ouses  
People everywhere are havin' fun  
When it comes to you I'm only wai-aiting

To say that you're the o-one

I'd never let you dow-ow-own, oh...

I'm the one who really loves you-ou, yes I am, you-ou-ou

I'm the one who said she really lo-oved you

And I would never fool around

I'm the one who said she really lo-oved you

And I'd never let you dow-ow-own, oh...

I'm the one who really loves you-ou

I'm the one who said she really lo-oved you

And I would never fool around

I'm the one who said she really lo-oved you

And I'd never let you dow-ow-own, oh...
