Took a look to the future  
Thought I could see love slippin' away-ay-ay  
And I just couldn't take it  
But I never forget you  
I couldn't get by ano-other day-ay-ay  
And I just wouldn't make it

Could I tell ya how much I need you  
How ever far away, yeah-eah  
Could I tell ya how much I miss you  
So mu-uch more than words can say

I love you more than words  
Can say-ay-ay-ay-ay, ay-ay, ay-ay

Took a look in my mirror  
Thought I could see love fading away-ay-ay  
And I just couldn't face it  
And I dreamt that you left me  
Takin' away the light from my day-ay-ay  
And I couldn't replace it

Could I tell ya how much I need you  
How ever far away, yeah-eah  
Could I tell ya how much I miss you  
So mu-uch more than words can say

It can take a long time to realise that your mine  
But you can be a fool fore-ever  
You're not forever, you're not fore-ever  
Woh-oh

Took a look to the future  
Thought I could see love slippin' away-ay-ay  
And I just couldn't take it

Could I tell ya how much I need you  
How ever far away, yeah-eah  
Could I tell ya how much I miss you  
So mu-uch more than words can say

Could I tell ya how much I need you

How ever far away, yeah-eah  
Could I tell ya how much I miss you  
So mu-uch more than words can say

Could I tell ya how much I need you  
How ever far away, yeah-eah  
Could I tell you how much I miss you
