Take or leave us
only please believe us

We ain't ever gonna be respectable.

It's our occupation
we're a dancing nation

we keep the pressure on every nigh
Explanations are complications

we don't need to know the where or why.

Taking chances
bold advances

don't care if you think we're out of line.
Conversation is interrogation

get out of here
we just don't have the time.

Take or leave us
only please believe us

We ain't ever gonna be respectable.
Like us
hate us
but you'll never change us
We ain't ever gonna be respectable.

Hesitation is iust frustration

give us the music and we're all right.
On each occasion
for your information

we can look after ourselves all right.
Take or leave us
only please believe us

...

Fascination is our sensation

we like to put ourselves on the line.

Recreation is our destination

so don't wait up for us tonight.

Take or leave us

only please believe us

...

Take or leave us

only please believe us
