(Keep looking after number one)  
He broke your heart, we heard the news  
And now you don't know what you're gonna do  
He made you cry and now he's gone  
So we hear you say can't carry on

And now your heart's get you running for cover  
And we believe you can't trust another  
That's how it is when the feeling's gone  
Take our advice, keep looking after number one.

That's the way it is (Keep looking after number one)  
That's just the way it is (Keep looking after number one)  
Ooh, ooh, ooh, ooh, ooh, love (Keep looking after  
number one)  
Ooh, ooh, ooh, ooh, ooh, love (Keep looking after  
number one)  
Yeah, that's the way it is (Keep looking after number  
one)  
That's the way it is (Keep looking after number one)

You may be down but you're not out  
You may get real hurt, that's what it's all about  
You hear the news, broken hearts every day  
But still you don't believe it can happen anyway

And you can't see that if you change your lover  
We still believe you can't trust another  
That's how it is when the feeling's gone  
Take our advice, keep looking after number one.

That's the way it is (Keep looking after number one)
