Starting all over again is gonna be rough, so rough
But we gonna make it, oh yeah
Starting all over as friends is gonna be tough, on us
But we gotta face it

We lost what we had, that's what hurt us so bad, oh
yeah
It set us back a thousand years
But we gonna make it up (oh yes we will)
Though I know it's gonna be rough
To erase all the hurt and tears

Starting all over again is gonna be hard
But I pray that the Lord will help us make it, yeah
Starting all over again is gonna be slow
But we, we, we both know that we can make it

We gotta take life as it comes, yeah
And never, never, never fuss about who's right or
wrong (we still gotta take it)
It's an uphill climb, oh yes it is, to the finish line
But we gonna try just one more time

Starting all over again is gonna be rough, so rough
But we gonna make it, yeah
Starting all over as friends is gonna be rough, on us
(on us)
But we gotta face it, yeah

Starting all over again is gonna be hard
(I know you're gonna have to hold on)
But with the help of the Lord, we gonna make it (oh yes
we will darlin')
Starting all over again is gonna be slow, baby that I
know
But we both know that we can make it (oh yes we can)
