[Spoken:]

You'll let me take you to the next level
Let your mind be free

Let your mind be free
If you wanna get with me
Simple as 123
Talking 'bout ABC
Like it real nasty
If you want play with me
Oh boy don't waste my time

You can keep me on a chain
But I don't think you can take the pain
And all the things that I put you through
It just drove you crazy 'cause I'm so crazy
You took control and set me free
Between the flame of you and me
And even though I had it all
I'd still reach out for more

Let your mind be free
If you wanna get with me
Simple as 123
Talking 'bout ABC
Like it real nasty
If you want play with me
Oh boy don't waste my time

I like your way without knowing how
But there are some things that still get me down
The same old way of making love
It's not quite enough I need some more
You took control and set me free
Between the flame of you and me
And even though I had it all
I still reached out for more

Let your mind be free
If you wanna get with me
Simple as 123
Talking 'bout ABC

Like it real nasty
If you want play with me
Oh boy don't waste my time

Let your mind be free!

Let your mind be free
If you wanna get with me
Simple as 123
Talking 'bout ABC
Like it real nasty
If you want play with me
Oh boy don't waste my time

Let your mind be free
If you wanna get with me
Simple as 123
Talking 'bout ABC
Like it real nasty
If you want play with me
Oh boy don't waste my time

Let your mind be free
If you wanna get with me
Simple as 123
Talking 'bout ABC
Like it real nasty
If you want play with me
Oh boy don't waste my time

Let your mind be free
If you want play with me
Oh boy don't waste my time
