Sometimes when I'm lonely
I can feel you on my breeze
In the darkness, when I'm sleeping
You're the colour in my dreams

And I'm not alone
No I'm not alone

You're the angel on my shoulder
You're always there (you're always there)
You're the angel on my shoulder
I know you care (I know you care)
I know you're there
Angel

Sometimes when I'm nervous
And I try to catch my breath
You're the space between my heartbeats
You're the reason I feel blessed

And I'm not alone
No I'm not alone

You're the angel on my shoulder
You're always there (you're always there)
You're the angel on my shoulder
Now I'm not scared (now I'm not scared)
I know you're there
Angel

I know you watch me when I'm good or bad
But I could never let you down
You always understand

You're the angel on my shoulder
You're always there (you're always there)
You're the angel on my shoulder
I know you care (I know you care)

You're the angel on my shoulder
You're always there (you're always there)

You're the angel on my shoulder
Now I'm not scared (now I'm not scared)

I know you're there
You're everywhere
Angel
