Lay down on the table
My head is bouncing off the wall
Dizzy and wasted
Not making any sense at all

I tell my self that it's alright this time
I'm being a bad, bad girl
I want more, just some more, a bit more...

He said it leave
If i went there again
He said it go, go, go
If i did it again
And i did, yes i did
So that's exactly what he did

I can't help myself
I can't help myself
I can't, i can't, i can't help myself

Bad, bad girl....bad, bad girl....

Trying to focus
What is in that distorted face
Locked in the bathroom
Torn between heaven and disgrace

I tell my self that it's alright this time
I'm being a bad, bad girl
I want more, just some more, a bit more...

He said it leave
If i went there again
He said it go, go, go
If i did it again
He said it leave
If i went there again
He said it go, go, go
If i did it again
And i did, yes i did
And i did, yes i did

And i did, yes i did
So that's exactly what he did

I can't help myself
I can't help myself
I can't help myself

Bad, bad girl....bad, bad girl....bad, bad girl

He said it leave
If i went there again
He said it go, go, go
If i did it again
He said it leave
If i went there again
He said it go, go, go
If i did it again
And i did, yes i did
And i did, yes i did
And i did, yes i did
So that's exactly what he did

I can't help myself
I can't help myself
I can't help myself
