I've gotta go, find another direction.  
I've gotta go, I wanna get your attention.  
I am so sorry that I went this way. I just can't  
hold anymore. The feeling's gone, I must  
move on. There's nothing left worth fighting  
for.  
Can't love you anymore, anymore.  
Go. Find what you're looking for.  
Go. You've lost me that's for sure.  
I've gotta go, find another direction.  
I've gotta go, I wanna get your attention for  
once.  
I've never been in love before. But this is  
where it has to end. I just can't love you  
anymore. Don't even want you as a friend.  
Can't love you anymore, anymore.  
Go. Find what you're looking for.  
Go. You've lost me that's for sure.  
It all started in another dimension.  
It all started in another dimension.  
It all started in another dimension.  
You may have took my breath, you didn't  
take my dedication.  
They say love is blind.  
They say love is blind.  
They say love is blind.  
I've never been the leaving kind.  
I've gotta go, find another direction.  
I've gotta go, I wanna get your attention for  
once.
