Girl picture this
Come with me baby and we can floss in the whip
But he didn't know I wasn't on the money shit
Burn real tight up top mad thick
Independent chick

But if you were with me you - gotta, gotta
Boy you gotta make me - hotter, hotter
Baby can you make me - hotter, hotter
Make me hotter, hotter - make me hotter, hotter
Baby

Baby can you make, make, make me hotter - make me
Baby can you make, make me hotter - I wanna know,
tell me
Baby can you make, make, make me hotter - can you
make me hot, baby
Baby can you make, make me hotter - I wanna know, I
need to know

Baby
You need to just stop
I don't care
How much longer you got
I wonder if
You can make me hot
You can make me hot, you can make me hot
Not just physically, emotionally, mentally - oh, yeah
Baby that's my fantasy
Give me something good to see
I want you baby - Oh please baby

Baby can you make, make, make me hotter - can you
make me
Baby can you make, make me hotter - oh oh oh oh
Baby can you make, make, make me hotter - gotta tell
me, gotta tell me
Baby can you make, make me hotter - I need to know

Ballers don't impress me so you know
(You need to just stop) I don't care
(how much longer you got)

Do you want my body to be yours
All yours
I need a simple man - I need
Knows how to treat me right - treat me
To keep me satisfied
Make love all through the night
Someone to make me (hotter)
Ooh oh oh, (hotter)
Baby can you make me hotter, yeah

Can you make me

Baby can you make, make, make me hotter - tell me,
oh oh
Baby can you make, make me hotter - oh oh ooh
Baby can you make, make, make me hotter - can you
make me hotter
Baby can you make, make me hotter - I gotta know, I
gotta know
Baby can you make, make, make me hotter - hey yeah,
don't you lie to me
Baby can you make, make me hotter - tell me truth,
because you wanna do
Baby can you make, make, make me hotter -it's all up
you, tell me what you wanna do
Baby can you make, make me hotter - make me hot for
you, baby
