I did what I had to by seeing it through
I gave my best
I've hit some jackpots, I've made some mistakes
But I have no regrets

If there was another path
Would you walk it my way

If I had my life again
No I wouldn't change a thing
Put my hand upon my heart, that's the truth
If you had your life again
Tell me would you change a thing
With your hand upon your heart, what's your truth

I've cried with laughter, I've cried with pain
I've loved and lost
Discovered new places, discovered new friends
On the lonely roads I've crossed

If there was another path
Would you walk it my way

If I had my life again
No I wouldn't change a thing
Put my hand upon my heart, that's the truth
If you had your life again
Tell me would you change a thing
With your hand upon your heart, what's your truth

Looking back my friends you should say to yourself
Yeah you did your best cos there is nothing else

If I had my life again
No I wouldn't change a thing
Put my hand upon my heart, that's the truth
If you had your life again
Tell me would you change a thing
With your hand upon your heart, what's your truth

If I had my life again

No I wouldn't change a thing
If I had my life again
No I wouldn't change a thing
If I had my life again (if I had my life again)
No I wouldn't change a thing (no I wouldn't change a
thing)
If I had my life again
No I wouldn't change a thing (wouldn't, change a thing)
