You, gave me your guidance
Gave me your kindness
Sympathy and honesty, yeah you
And your compassion
Gave me the reason
Because of you I can be this strong

Simple things that matter
Your friendship brings
So I sing

Say say say, in your own sweet way
Hey hey hey, it'll be okay
I trust in your word
Cos when you say say say, in your own sweet way
Hey hey hey, it'll be okay
I trust in your word, you bring me back to earth

I'm, loyal in answer
Honored and grateful
For everything you're showing me, cos you
Carefully guided
Deep in your empathy
Because of you I'm flying here with pride

And simple things that matter
Your friendship brings
So I sing

Say say say, in your own sweet way
Hey hey hey, it'll be okay
I trust in your word
Cos when you say say say, in your own sweet way
Hey hey hey, it'll be okay
I trust in your word, you bring me back to earth

You, gave me your guidance
Gave me your kindness
Sympathy and honesty, yeah you
And your compassion
Gave me the reason

Because of you I can be this strong

Simple things that matter
Your friendship brings
So I sing

Say say say, in your own sweet way
Hey hey hey, it'll be okay
I trust in your word
Cos when you say say say, in your own sweet way
Hey hey hey, it'll be okay
I trust in your word, you bring me back to earth

Say say say, in your own sweet way
Hey hey hey, it'll be okay
I trust in your word
Cos when you say say say, in your own sweet way
Hey hey hey, it'll be okay
I trust in your word, you bring me back to earth

You bring me back to earth
