Uh huh
Uh huh
Uh huh

I got this feeling baby
Inside it's driving me crazy
I just don't know what to do
Why don't you get this started
Body language so inviting
There ain't nothin' that we won't do

(Chorus)
Oh oh oh oh oh
Sophisticated lady
Come and get my loving
Never get enough of the push and shoving
Oh oh oh oh oh
Sophisticated lady
Changed my name from the B to the G
So my hubby can get with me

I know that we can make it
Never ever gonna get it on I'm freakin'
That style don't suite me or you
There are so many reasons
Why our love is so in season
Thoughts like this keep me straight with you

(Chorus)
Oh oh oh oh oh
Sophisticated lady
Come and get my loving
Never get enough of the push and shoving
Oh oh oh oh oh
Sophisticated lady
Changed my name from the B to the G
So my hubby can get with me

Oh oh oh oh oh
Sophisticated Lady
Have we got sound?

Hey yo Mel you ride this beat so well
Late at night lacing tracks past the midnight bell (ah ah
ah)
But we don't sweat it though 'cause the three of us are
strong
With the energy you give babe we can't go wrong (ah
ah ah)
Paris was the city in the heat of the summertime
When J took the heart of a friend of mine
Then you gave rings and the vows were done
And you'll always be together 'cause 2 become 1

(Chorus)
Oh oh oh oh oh
Sophisticated lady
Come and get my loving
Never get enough of the push and shoving
Oh oh oh oh oh
Sophisticated lady
Changed my name from the B to the G
So my hubby can get with me

(Chorus)
Oh oh oh oh oh
Sophisticated lady
Come and get my loving
Never get enough of the push and shovin
Oh oh oh oh oh
Sophisticated lady
Changed my name from the B to the G
So my hubby can get with me
