### "Whose Is It"

Visit "[Whose Is It](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Yeah I'm British!  
Say what?  
The A-List are not the A-list!  
Don't swim in the water  
If you don't wanna get wet  
Don't come in my kitchen  
If you don't wanna sweat

(whoa, whoa, whoaw)  
(whoa, whoa, whoaw)

You better freeze - don't move! (don't move)  
It's about to go up! (aha)  
I'm a renegade! (watch out!)  
So it's gonna get rough! (rough!)  
Take these handcuffs (take that!)  
Your under arrest! (like that!)  
I got probable cause... (aha)  
This is not a test! (beep!)

I got a bone to pick! (aha aha)  
Yeah I'm talking to you! (to you)  
It's a sticky situation! (come on!)  
Hope you got sweettooth... (mhm)

Make your stretch - do you like aerobics class?  
When you do the hokey-pokey turn around, I smack  
that! (ha ha!)

I can't deny  
I see you got your feelings deep (...?)  
But don't lose it now - hold it!  
Now...  
There's a question I gotta ask before we end it  
I wanna hear it!

Whose is it? Huh?  
It's mine! It's mine! It's mine! It's mine!  
Whose is it? Huh?  
It's mine! It's mine! It's mine! It's mine!  
Whose is it? Whose is it? I got it! I got it!

Whose is it? Huh?  
It's mine! It's mine! It's mine! It's mine!

I can't hear you (come on, come on)  
Speak up, say it louder (what?)  
Double dare you (come on let me get right there)  
Speak up, say it louder (what?)

Whose is it? Huh? Whose is it? Huh? Whose is it? Huh?  
What? What?  
Whose is it? Huh? Whose is it? Huh? Whose is it? Huh?  
What? What?

Don't swim in the water  
If you don't wanna get wet  
Don't come in my kitchen  
If you don't wanna sweat

Better stop - don't move! (what?)  
It's about to get hot! (hot, hot)  
When I get in position! (when I get in position)  
Don't move that spot! (spot, spot)  
You're driving this car! (you're driving this car)  
But I'm in control (but I'm in control)  
So when I put it in fifth! (zooo)  
Don't let the clutch go! (no!)

(whoa, whoa, whoaw)  
Gotta take you on a trip! (right now)  
From the ground to the star  
(whoa, whoa, whoaw)  
So when I say "Can you feel this?" (feel what?)  
Then you better not lie! (lie...)

Make your stretch - do you like aerobics class?  
When you do the hokey-pokey turn around, I smack  
that! (ha ha!)

I can't deny  
I see you got your feelings deep (...?)  
But don't lose it now - hold it!  
Now...  
There is a question I gotta ask before we end it  
I wanna hear it!

Whose is it? Huh?  
It's mine! It's mine! It's mine! It's mine!  
Whose is it? Huh?  
It's mine! It's mine! It's mine! It's mine!  
Whose is it? Whose is it? I got it! I got it!  
Whose is it? Huh?

It's mine! It's mine! It's mine! It's mine!

I can't hear you (come on, come on)  
Speak up, say it louder (what?)  
Double dare you (come on let me get right there)  
Speak up, say it louder (what?)

Whose is it? Huh? Whose is it? Huh? Whose is it? Huh?  
What? What?  
Whose is it? Huh? Whose is it? Huh? Whose is it? Huh?  
What?

Yeah I'm British!  
Say what?  
The A-List are not the A-list!

(ah ah ah)  
(Hey! Hey! ah ah ah)  
(Hey! Hey! ah ah ah)  
(Hey! Hey! ah ah ah)  
(Hey Hey!)

Don't swim in the water  
If you don't wanna get wet  
Don't come in my kitchen  
If you don't wanna sweat
