Come on baby

All pretty ladies around the world  
Got a weird thing to show you  
So tell all the boys and girls  
Tell your brother, your sister  
And your mama too  
Cause we're about to go down  
And you'll know just what to do

Wave your hands in the air  
Like you don't care  
Glide by the people as they start to look and stare  
Do your dance  
Do your dance  
Do your dance quick mama, come on baby tell me  
what's the word

Word up  
Everybody say when you hear they call you  
You've got to get it underway  
Word up, it's the code word  
No matter where you say it  
You'll know that you'll be heard

Now all you sucker. D.J.'s  
Who think you're fly  
There's got to be a reason  
And we know the reason why  
You try to put on those airs and act real cool  
But you've got to realize  
That you're acting like fools  
If there's music we can use it  
We need to dance  
We don't have the time  
For psychological romance  
No romance  
No romance  
No romance for me mama  
Come on baby tell me what's the word

The word up

Everybody say when you hear the call you  
You've got to get it underway  
Word up  
It's the code word  
No matter where you say it  
You'll know that you'll be heard

Word up  
Everybody say when you hear the call you  
You've got to get it underway  
Word up  
It's the code word  
No matter where you say it  
You'll know that you'll be heard

Word up  
Everybody say...  
Word up  
It's the code word...
