I don't want your adoration
Don't want your train stoppin' at my station
You hurt me and I'm grateful
I never ever felt anything stranger

Ga ga. Crazy. Foolish for wanting you
Stupid Cupid. He's a drag he's not like you

People say that it's insane
We love to feel the pain

And it hurts
Yes it hurts
Let it hurt

I don't want emotional hassle
I just want another bite of the apple
Dark thoughts need satisfaction
We're gonna crash
Lets make it happen

Ga ga. Crazy. Foolish for wanting you
Stupid cupid. He's a drag he's not like you

People say that it's insane
We always go for pain

And it hurts
Yes it hurts
Let it hurt

This will never be over
And you will always be mine
You've gotta feed my hunger baby
I am ready to dine

Ga ga. Crazy. Foolish for wanting you
Stupid cupid. He's a drag he's not like you

Ga ga. Crazy. Foolish for wanting you
Stupid cupid. He's a drag he's not like you

Ga ga (Ga ga)
Crazy (Crazy)
Foolish for wanting you

Ga ga (Ga ga)
Crazy (And I'm crazy)
Foolish for wanting you

And it hurts
And it hurts
Let it hurt

And it hurts
And it hurts
Let it hurt

And it hurts
And it hurts
Let it hurt

And it hurts
And it hurts
Let it hurt

And it hurts
