Go

I've gotta go, find another direction  
I've gotta go, I wanna get your attention

I am so sorry that it went this way  
I just can't hold on anymore  
The feeling's gone, I must move on  
There's nothing left worth fighting for  
I can't love you anymore, anymore

Go. Find what you're looking for  
Go. You've lost me, that's for sure

I've gotta go, find another direction  
I've gotta go, I wanna get your attention for once

I've never been in love before  
But this is where it has to end  
I just can't love you anymore  
Don't even want you as a friend  
I can't love you anymore, anymore

Go. Find what you're looking for  
Go. You've lost me, that's for sure

It all started in another dimension  
It all started in another dimension  
It all started in another dimension  
You may have took my breath, you didn't take my  
dedication  
They say that love is blind  
They say that love is blind  
They say that love is blind  
I've never been the leaving kind  
I've gotta go  
I've gotta go

I am so sorry that it went this way  
I just can't hold on anymore  
The feeling's gone, I must move on  
There's nothing left worth fighting for

I can't love you anymore, anymore
