When the world is darker than I can understand
When nothing turns out the way I planned
When the sky turns grey and there's no end in sight
When I can't sleep through the lonely night

I turn to you
Like a flower leaning toward the sun
I turn to you
Cuz you're the only one
Who can turn me around when I'm upside down
I turn to you, I turn to you

When my insides are wracked with anxiety
You have the touch that will quiet me
You lift my spirit; you melt the ice
When I need inspiration, when I need advice

Repeat Chorus

Where would I be? What would I do,
If you'd never helped me through?
I hope someday if you've lost your way
You could turn to me like I turn to you

I turn to you
Like a flower leaning toward the sun
I turn to you
Cuz you're the only one
Who can turn me around when I'm upside down

I turn to you

I turn to you
When fear tells me to turn around
I turn to you
Cuz you're the only one
Who can turn me around when I'm upside down
I turn to you
I turn to you
