Every day, in my thoughts, you're my one obsession
Can't go on, need a fix, this is my confession
When you're not around the nights go along
You may be with her but with me you belong
I am the only one, I am the only one

(Chorus)

I want you back
Whatever you do
I want you back
I've got nothing to prove
I don't care what you said
Want you back in my bed
I want you back
I want you back

Can't let go, guess you know now I've blown my cover
What I want, what I need is no other lover
Try to deny it but you know it's true
No-one can make you feel like you do
I am the only one
I am the only one.

(Chorus)

I want you back
Whatever you do
I want you back
I've got nothing to prove
I don't care what you said
Want you back in my bed
I want you back
I want you back.

You can't keep running away from me
When something feels so right then it's meant to be
Like a dog with a bone I won't let go
Won't let go

Try to deny it but you know it's true
No-one can make you feel like I do
I am the only one
I am the only one

(Chorus)

I want you back
Whatever you do
I want you back
I've got nothing to prove
I don't care what you said
Want you back in my bed
I want you back
I want you back

I want you
I need you
I want you
I need you

I want you, I need you
I want you, I need you
I want you, I need you, ooooh
