Knocked out
I can't get up, again
Knocked out
Can't find my feet, to stand

Thought I'd learn my lesson, didn't learn it so well
Slap my face I've fallen again
I'm knocked out
I can't get up again
Find my feet to stand
Need a helping hand

You've got me begging on my knees, oh baby please
Come back to me
Oh baby hold me now I'm begging you, so please
There is nothing I wouldn't do
Anything for you
Oh baby hold me now
I'm begging you so please

Knocked out
I don't who, I am
Knocked out
I don't where, I stand

Thought I'd learn my lesson, didn't learn it so well
Slap my face I've fallen again
I'm knocked out
By another man
I don't know where I stand
Don't know who I am

You've got me begging on my knees, oh baby please
Come back to me
Oh baby hold me now I'm begging you, so please
There is nothing I wouldn't do
Anything for you
Oh baby hold me now
I'm begging you so please

Could you turn this way
Come back to me

Come back where you're meant to me
Could you come back baby, I am begging please
Come back to me

You've got me begging on my knees, oh baby please
Come back to me
Oh baby hold me now I'm begging you, so please
There is nothing I wouldn't do
Anything for you
Oh baby hold me now
I'm begging you so please
