(performed by Melanie C on "Music of the Millennium".  
Originally performed by Madonna.)

Life is a mystery  
Everyone must stand alone  
I hear you call my name  
And it feels like home

(Chorus)

When you call my name it's like a little prayer  
I'm down on my knees, I wanna take you there  
In the midnight hour I can feel your power  
Just like a prayer you know I'll take you there

I hear your voice, it's like an angel sighing  
I have no choice, I hear your voice  
Feels like flying  
I close my eyes, Oh God I think I'm falling  
Out of the sky, I close my eyes  
Heaven help me

(Chorus)

When you call my name it's like a little prayer  
I'm down on my knees, I wanna take you there  
In the midnight hour I can feel your power  
Just like a prayer you know I'll take you there

Like a child you whisper softly to me  
You're in control just like a child  
Now I'm dancing  
It's like a dream, no end and no beginning  
You're here with me, it's like a dream  
Let the choir sing

(Chorus)

When you call my name it's like a little prayer  
I'm down on my knees, I wanna take you there  
In the midnight hour I can feel your power  
Just like a prayer you know I'll take you there

Just like a prayer, your voice can take me there  
Just like a muse to me, you are a mystery

Just like a dream, you are not what you seem  
Just like a prayer, no choice your voice can take me  
there

Just like a prayer, I'll take you there  
It's like a dream to me
