Easier to let go  
Give in to yourself tonight  
Get on with the show  
Expect me not to be so pure  
Give me one for the road  
Got a fever for sure

Yeh, yeh, yeh  
I'm on a mission  
Yeh, yeh, yeh  
If you're with me raise your hands  
Yeh, yeh, yeh  
Got no inhibitions  
It's our decision  
We're gonna have a good time

Yeh, yeh, yeh  
Got a new religion  
Yeh, yeh, yeh  
Gotta take me as I am  
Yeh, yeh, yeh  
I've got expectations  
Of gratification  
We're gonna have a good time

So when this thing is through  
If you wanna be with me  
I'll be looking for you  
Feel the energy tonight  
Feelin' the groove  
I feel it spinnin' the room, yeh

Yeh, yeh, yeh  
I'm on a mission  
Yeh, yeh, yeh  
If you're with me raise your hands  
Yeh, yeh, yeh  
Got no inhibitions  
It's our decision  
We're gonna have a good time

Yeh, yeh, yeh

Got a new religion  
Yeh, yeh, yeh  
Gotta take me as I am  
Yeh, yeh, yeh  
I've got expectations  
Of gratification  
We're gonna have a good time  
Gonna have a good time

I've got desire  
I feel inspired  
I wanna go much higher  
'N baby I don't wanna come down  
And all I want is to be excited  
So come on, get united  
No more need to hide it  
If you're really with me then come on and raise your  
hands

Yeh, yeh, yeh  
I'm on a mission  
Yeh, yeh, yeh  
If you're with me raise your hands  
Yeh, yeh, yeh  
Got no inhibitions  
It's our decision  
We're gonna have a good time

Yeh, yeh, yeh  
Got a new religion  
Yeh, yeh, yeh  
Gotta take me as I am  
Yeh, yeh, yeh  
I've got expectations  
Of gratification  
We're gonna have a good time  
Gonna have a good time  
Gonna have a good time
