Hold me, hold me  
Never let me go until you've  
Told me, told me, what I want to know  
And then just hold me, hold me..  
Make me tell you I'm in love with you...  
Thrill me, thrill me  
Walk me down the lane  
Where shadows will be, will be  
Hiding others just the same as  
We'll be, we'll be  
When you make me tell you I love you..  
They told me be sensible with your new love  
Don't be fooled thinking this is the last you'll find  
But they never stood in the dark with you love  
When you take me in your arms  
And drive me slowly out of my mind...  
Kiss me, Kiss me  
And when you do I know that you will  
Miss me, miss me,  
If we ever say ado  
So kiss me, kiss me..  
Make me tell you I'm in love with you...  
Kiss me, Kiss me  
And when you do I know that you will  
Miss me, miss me,  
If we ever say ado  
So kiss me, kiss me..  
Make me tell you I'm in love with you...  
Never, never, never let me go..  
Never, never, never let me go..
