Love to me is beautiful
Beautiful and cruel
Love to you is dangerous
And dangerous is cool

When there's nothing guess to do
And there's nothing on TV
If that's love to you
Well it isn't love to me
And If there's nothing left to say
Then there's nothing we can do
If that's love to you

Love to me should be glamorous
Adventurous and sometimes sad
Love to you is curious
But it's nothing more (nothing more) to you than that
(more than that)

When there's nothing guess to do
And there's nothing on TV
If that's love to you
Well it isn't love to me
And If there's nothing left to say
Then there's nothing we can do
If that's love to you
If that's love to you
If that's love to you

Love to me is history
'Cause the mistery leaves you cold

When there's nothing guess to do
And there's nothing on TV
If that's love to you
Well,it isn't love to me
And If there's nothing left to say
Then there's nothing we can do
If that's love to you
If that's love you
Is that love to you?
