(feat. Poe)

You can close your eyes it's over now
It's over now
You can close your eyes it's over

Baby, baby, baby
Make a wish
Tell me have you ever been afraid like this
(It's over now)

I've seen it watching me
That misty thing
Without a face
It weaves my thoughts
Lined them up in black lace
It buries my shape
And leaves no trace

Tomorrow I will have no shame
And I will start again
Make a wish
Tell me have you ever felt alone like this
(Over now)

Better do it, sure
Just wishing
I could move in some more

Tomorrow I will have no shame
And I will start again
Make a wish
(You can close your eyes it's over now)
Baby I have never been afraid like this
(You can close your eyes it's over now)
Make a wish

I took off my shoes
I took off my face
And then I undid the buttons on my dress
(I will start again)

Make a wish
You can close your eyes it's over now
Tell me have you ever been exposed like this
(You can look into your mind)
Baby, baby, baby
Feels like a kiss
(You can close your eyes and start again)
I bet you never thought that I could feel like this

Tomorrow I will have no shame
Tomorrow I will have no shame
Make a wish
