Couldn't sleep so I went out walking  
Thinking about you and hearing us talking  
And all the things I should have said  
Echo now, inside my head

I feel something falling from the sky  
I'm so sad I made the angels cry

Tears from the moon  
Fall down like rain  
I reach for you  
I reach in vain  
Tears from the moon  
Tears from the moon

It just ain't fair this thing called loving  
When one's still there and the other feels nothing  
I would have done anything for you  
I still love you, baby I adore you

All day I keep from falling apart  
But at night when the sky gets dark

Tears from the moon  
Fall down like rain  
I reach for you  
I reach in vain

Stop, stop haunting me  
It should be easy  
As easy as when you stopped wanting me  
Yeah

Tears from the moon  
Fall down like rain  
I reach for you  
I reach in vain

Tears from the moon  
Fall down like rain  
But tears from the moon  
Can't wash away the pain

Tears from the moon  
Tears from the moon  
Tears from the moon
