Zephyr Knowing you is a pleasure But I hear the storms Calling me Calling me

Zephyr They're calling me

Bring on the fire Bring on the ice Give me all you got I'm through rolling dice Steady my guns Steady my mind Once I make my play there's no rewinding So bring on the fire Bring on the ice Give me all you got I'm through rolling dice Steady my guns Steady my mind

Once I make my play there's no rewinding

Zephyr A taste would be like heaven I'll fight the fight To feel you once again

Again, again, again, again

Bring on the fire Bring on the ice Give me all you got I'm through rolling dice Steady my guns Steady my mind Once I make my play there's no rewinding So bring on the fire Bring on the ice Give me all you got I'm through rolling dice Steady my guns Steady my mind

Once I make my play there's no rewinding

Bring on the fire And ice Bring on the fire And ice
