I was so afraid  
That I would end up by myself  
In this empty place we share  
I've been looking for you  
Ever since I learned to run  
To run far away from home

Just let me know that you'll stay  
I'll make it through one more day

In the arms of an angel I find myself  
And it's so mysterious the way you make me feel  
Everywhere that we go we shine together  
And it's the feeling that I wouldn't trade for the world

Where've you been my whole life?  
I was looking really hard  
And there were no signs of light  
But you showed me how to get rid of the past  
Whether it's wrong or right to try

Just let me know that you'll stay  
we'll make it through one more day  
In the arms of an angel I find myself  
And it's so mysterious the way you make me feel  
Everywhere that we go we shine together  
And it's the feeling that I wouldn't trade for the world

Oh no oh oh  
Oh no oh oh

In the arms of an angel I find myself  
And it's so mysterious the way you make me feel

Everywhere that we go we shine together  
And it's the feeling that I wouldn't trade for the world

In the arms of an angel I find myself  
And it's so mysterious the way you make me feel  
Everywhere that we go we shine together  
And it's the feeling that I wouldn't trade for the world  
(x2)

I wouldn't trade it for the world...
