We meet again
It feels like I'm dreaming
(It feels like I'm dreaming)
But I can smell
your scent that I'm breathing
(It's all that I'm breathing)

It hurts to breathe when you go
Just stay tonight, prove me wrong
Maybe right..

Or I could wait till morning
'Cause the morning is just in hours
And the hours turn to minutes when you're in my head
But I can't wait forever
That's the longest that I've heard of
And the minutes turn to hours when you're far away

But now you're here
And I shouldn't worry
(No I shouldn't worry)
I'm not weak
And why am I sorry?
(I shouldn't be sorry)

It hurts to breathe when you go

Just stay tonight, prove me wrong
Maybe right..

Or I could wait till morning
'Cause the morning is just in hours
And the hours turn to minutes when you're in my head
But I can't wait forever
That's the longest that I've heard of
And the minutes turn to hours when you're far away

I feel so alive compared to the times that I've been
through
I was so dead cause nothing would matter to you

Or I could wait till morning

'Cause the morning is just in hours
And the hours turn to minutes when you're in my head
But I can't wait forever
That's the longest that I've heard of
And the minutes turn to hours when you're far away
(x2)
