

## Mel Martinez "Your Call"

I guess it's not right  
To spend this time without you  
And there's something missing  
I just don't know what I want

So here I am  
I'm waiting tonight  
To hear your voice again

So I hope you call  
And hear from you  
I've been looking forward to your call  
Just keep a hold  
And don't let go  
I've been looking forward to your call

It's been barely a day  
And I'm already dead, Inside  
And I miss you so much  
You don't even know

How much I wait  
I'm waiting tonight  
To hear your voice again  
So I hope you call  
And hear from you  
I've been looking forward to your call  
Just keep a hold  
And don't let go  
I've been looking forward to your call

Please don't make me wait  
I'll stay awake  
You, you said you'd call  
But it's been too long

So I hope you call (I hope you call)  
And hear from you (I wanna hear from you)  
I've been looking forward to your call  
Just keep a hold  
And don't let go (Don't let me go)  
I've been looking forward to your call

(Chorus)
