Right! now! (laughs)

I am an antichrist
I am a sporty spice
Don't know what I want but I know how to get it
I wanna destroy the passer by cos

I wanna be anarchy
No dogs body

Anarchy for the u.k
Its coming sometime and maybe
I give a wrong time stop a traffic line
Our future dream is a shopping scheme cos

I wanna be anarchy
In the city

How many ways to get what you want
I use the best I use the rest
And I use the enemy
And I use anarchy cos

I wanna be anarchy
Its the only way to be

Is this the m.p.l.a
Or is this the u.d.a
Or is this the i.r.a
I thought it was the u.k

Or just another country
Another council tenancy

I wanna be anarchy
Cos I wanna be anarchy
Oh what a name
And I wanna be anarchy
Get pissed destroy
