Oh Im gonna get all soft and smoochy  
Oh yeah (I love you baby) (oh yeah)  
Oh yeah (I love you baby) (oh yeah)  
Oh yeah (I love you baby) (oh yeah)  
(yipee!)  
Oh yeah, feels so good  
Im lovin you, like I should  
Remembering, how it feels  
Letting go to have you near  
Oh yeah, feels so good  
I never thought, that it could  
My feelings are deep inside  
This love I found wont ever hide  
Lets go from the very start  
When we met you and I were inseperable  
All at once we swapped our hearts  
Knowin that we had it right  
People got involved with us  
I should have pushed them all away  
Now I know what went wrong  
Why did is take me so long  
Lovin you, lovin you is the easy part  
Now I know, now I know what to do with it  
Me and you, me and you keepin it tight  
Cos two of a kind makes us so right  
Oh yeah, feels so good  
Im lovin you, like I should  
Remembering, how it feels  
Letting go to have you near  
Oh yeah, feels so good  
I never thought, that it could  
My feelings are deep inside  
This love I found wont ever hide  
Partnerships have ups and downs  
Understand you and I are not alone  
Feeling real normality  
Come on, put your trust in me  
Believe in me when I say  
Everyone can keep away  
Now I know what went wrong  
Why did it take me so long  
Lovin you, lovin you is the easy part

Never know, never know what to do with it  
Me and you, me and you keepin it tight  
Cos two of a kind makes us so right  
Oh yeah, feels so good  
Im lovin you, like I should  
Remembering, how it feels  
Letting go to have you near  
Oh yeah, feels so good  
I never thought, that it could  
My feelings are deep inside  
This love I found wont ever hide  
I know how I want you  
I know how I need you  
Two of a kind will always be  
Ever after happily  
Feelin free, you and me  
No one can touch us now  
That is how it's got to be  
With each passing day, we grow stronger still  
Like the after taste of a bitter pill  
Keep the hurt and pain far away from me  
Warm me in your glow of sunny ecstasy  
Ladies holla if you hear me (oh yeah)  
Fellas holla if you feel me (oh yeah)  
Everybody can you see me (oh yeah)  
Cos two of a kind makes us so right  
(yipee!)  
Oh yeah, feels so good  
Im lovin you, like I should  
Remembering, how it feels  
Letting go to have you near  
Oh yeah, feels so good  
I never thought, that it could  
My feelings are deep inside  
This love I found wont ever hide  
Oh yeah, feels so good  
Im lovin you, like I should  
Remembering, how it feels  
Letting go to have you near  
Oh yeah, feels so good  
I never thought, that it could  
My feelings are deep inside  
This love I found wont ever hide  
(yipee!)  
Ooo-oo-oo-oooh (oh yeah)  
Ooo-oo-oo-oooh (oh yeah)  
Ooo-oo-oo-oooh (oh yeah)  
(yipee!)  
Ooo-oo-oo-oooh (I love you baby) (oh yeah)  
Ooo-oo-oo-oooh (I love you baby) (oh yeah)  
Ooo-oo-oo-oooh (I love you baby) (oh yeah)

Oh yeah, feels so good  
Im lovin you, like I should  
Remembering, how it feels  
Letting go to have you near  
Oh yeah, feels so good  
I never thought, that it could  
My feelings are deep inside  
This love I found wont ever hide
