Wait

Before you leave I've got something to say  
so listen to me

I know you wanted to hate me  
When you found out that I lied, yeah  
I wanna spend eternity  
But you say you've been deceived  
Now you say you wanna leave  
But I say

Hell no, hell no - I won't let you leave me this time, no  
(no, whoa)

Hell no, hell no - Don't act like you never lied to me  
(don't act like you never lied to me)

Hell no, hell no - My actions are not just a fight (are not  
just a fight) Remember the many nights I cried  
So hell no you can't leave me this time

Now under the circumstances

Do you remember what you did to me (to me)  
When I found that other hootches pictures  
Had 'em hid inside a Dru Hill cd

I'm not trying to go back and forth  
I'm just trying to let you know  
I've forgiven you a hundred times  
So baby I'm not gonna let you go so

Hell no, hell no (hell no, hell no) - I won't let you leave  
me this time, no (don't leave me)

Hell no, hell no - Don't act like you never lied to me  
(don't act like you never lied)

Hell no, hell no (oh no)- My actions are not just a fight  
(I'm so sorry baby)

Remember the many nights I cried  
Hell no you can't leave  
This time (this time)

Don't leave me now

I'll be here if you stay (stay right here)

Hell no, hell no (Oh, no) - I won't let you leave me this  
time, no (don't leave me)  
Hell no, hell no - Don't act like you never lied to me (oh  
don't you go away)  
Hell no, hell no - My actions are not just a fight (I'm so  
sorry, I'm so sorry baby)  
If I forgave you baby when you left  
Hell no you can't leave me this time

Hell no, hell no (what do you think?) - I won't let you  
leave me this time, no (do you think I can be all alone?)  
Hell no, hell no - Don't act like you never lied to me (but  
you lied to me before, yes you have)  
Hell no, hell no - My actions are not just a fight (can you  
forgive me, can you forgive me baby?)  
(Hell no) Hell no you can't leave me this time

Don't leave me no  
Stay right here
