Nothing is so good it lasts eternally  
(Perfect situations must go wrong (   
But this has never yet prevented me (   
From wanting far too much, for far too long  
((  
Looking back, I could have done it differently (   
Won a few more moments, who can tell? (   
But it took time to understand the man (   
Now at least I know, I know him well ((

Wasn't it good, wasn't he fine  
(Isn't it madness, he can't be mine (   
But in the end, he needs (   
A little bit more than me for security (   
I know him so well ((

No one in your life is with you constantly (   
No one is completely on your side (   
And though I moved my world to be with him (   
Still the gap between us is too wide ((

Looking back, I could've played it differently  
(Learned about the man before I fell (   
But I was ever so much younger then (   
Now at least I know, I know him well ((

Wasn't it good, wasn't he fine  
(Isn't it madness, he can't be mine (   
Didn't I know, how it would go  
(If I knew from the start (   
Why am I falling apart ((

Wasn't he fine (   
Isn't it madness, he can't be mine (   
But in the end, he needs (   
A little bit more than me for security (   
I know him so well

((It took some time to understand him (   
Ooh, I know him so well
