You better think (think)  
Think about what you're trying to do to me  
Yeah, think (think, think)  
Think about it, go and let yourself be free  
Lets go back, lets go back  
Lets go way back, way back when  
I didn't even know you  
And you were too much more than a friend  
I aint no psychiatrist  
I aint no doctor with degree  
But it don't take too much high iqs  
To see what you're doing to me  
You better think (think)  
Think about what you're trying to do to me  
Yeah, think (think, think)  
Think about it, go and let yourself be free  
Oh freedom (freedom), freedom (freedom), freedom,  
freedom  
Freedom (freedom), freedom (freedom), freedom,  
freedom  
There aint nothing you could do  
I could answer you but I wont (I wont)  
But I wont go changing, Im not  
If you keep doing things I don't  
Yeah, think (think)  
Think about what you're trying to do to me  
Yeah, think (think, think)  
Let your mind go, let yourself be free  
Well, people walking around everyday  
Playing games that they can score  
And I aint gonna be the loser my way  
Gonna get what your coming for  
You better think (think)  
Think about what you're trying to do to me  
Yeah, think (think, think)  
Think about it, go and let yourself be free  
You need me (need me)  
And I need you (don't you know)  
Without eachother  
There aint nothing we can do  
Think about, think about, think about - ah me  
[repeat to end]
