Ive been wandering around the house all night  
Wondering what the hell to do  
Im trying to concentrate but all I can think of is you  
Well the phone don't ring cuz my friends aint home  
Im tired of being all alone  
Got the tv on cuz the radios playing songs  
That remind me of you

Baby when you're gone  
I realize Im in love  
The days go on and on  
And the nights just seem so long  
Even food don't taste that good  
Drink aint doing what it should  
Things just feel so wrong - baby when you're gone

Ive been driving up and down these streets  
Trying to find somewhere to go  
Ya Im lookin for a familiar face but there's no one I  
know

This is torture, this is pain  
It feels like Im gonna go insane  
I hope you're coming back real soon  
Cuz I don't know what to do
